TRANSMITTAL

SUBJECT: New Club FED MOA - Final Signed Copy

TO: All Members of Club FED
(see attached list)

FROM: Tom Hagler, EPA

Enclosed is a final signed copy of the new Club FED Memorandum of Agreement.

As you may recall, this MOA formalizes the addition of six new members of Club FED and outlines how Club FED will coordinate its activities in the immediate future. In addition, the MOA establishes the status of each agency as a "co-lead" or "cooperator" on the CALFED Bay Delta Program California water planning EIS/EIR effort.

If you have any questions about the MOA, please call me. If you believe you need a different "contact person" than the one listed in the attached list, please call Patrick Wright, Club FED Regional Manager, at (415) 744-1024.
